

March 13, 2020

We have been monitoring the situation caused by the spreading COVID-19 (coronavirus), now pandemic. We are canceling or postponing events scheduled to be held on CTU's campus until at least April 20. Those registered for any upcoming events between now and April 20 will receive event-specific notifications regarding cancellations or postponements via email.

While the school will remain open, no face-to-face classes will be held, and any exams will be administered online. The CTU offices — Administration, Business, Development, Enrollment, Events, Marketing and Registrar — will remain open for the foreseeable future, practicing social distancing within the building.

Our May academic term will be held. Whether it will be face-to-face or online will be determined closer to the beginning of this term on April 20.

Each week CTU will continue to send our [Sunday Scripture Reflections](#) from our faculty and other digital content over the next few weeks.

Please follow [@ChicagoCTU](#) on [Facebook](#), [Instagram](#), [Twitter](#), and [LinkedIn](#), and subscribe to our multimedia platform, [Learn@CTU](#) to receive notifications about our latest digital content.

Let's continue to pray for each other, for those on the margins, and for those affected by the coronavirus.

Lenten blessings,

Rev. Mark R. Francis, CSV
President
