COME LEARN WITH US AT CATHOLIC THEOLOGICAL UNION

Summers at CTU offer you the opportunity to step back in order to step up your response to God’s call in your life.

We invite you to choose from our courses, offered for credit or audit, or our workshops taught by CTU’s renowned faculty, visiting professors and facilitators. Attend daily Mass, participate in formation activities or spend time reflecting in our meditation chapel. Our panel discussions and public lectures will address current issues in theology and ministry and plant the seeds of renewal. Enjoy walks or bike rides by Lake Michigan, take in the restaurants and social life of Hyde Park, or sit in the atrium and experience the wisdom of others while you share your own.

As part of this year’s Summer@CTU, we have created several series of themed courses. Choose a class or the whole series! Courses that are part of a series are indicated on the inside using the key below.
