## Catholic Theological Union

# VENUE RENTAL RATES

Catholic Theological Union at Chicago is pleased to offer conference and gathering spaces to not-for-profit organizations who share the mission of CTU.

Located in the historic Hyde Park neighborhood, CTU is minutes from all the attractions of Chicago and just steps from beautiful Lake Michigan. Here groups will find the convenience of being in an urban setting with the vitality of Hyde Park and the restfulness of a quiet neighborhood by the water. Built in 2006, CTU's **Rev. Donald P. Senior, CP Academic and Conference Center** was designed as both a school of theology and a place of hospitality to serve the wider community.
