To the CTU Community:

I am very happy to announce that Kevin Doherty, CPA, JD, has agreed to become Catholic Theological Union's new Vice President for Finance. Kevin comes to CTU with a wealth of experience in both for-profit and non-profit enterprises, as well as institutions of higher learning. His previous positions as Controller for the John D and Catherine T MacArthur Foundation and Interim Chief Financial Officer for Columbia College in Chicago, afforded him experience in both financial management and planning, investments, and the role of restricted and unrestricted funds. He will be of immense help to CTU in all of these areas.

We look forward to welcoming Kevin when he begins on Monday, May 11. In order for the whole CTU community to meet and welcome him, we will plan a reception for Kevin when we are able to gather again after the stay-at-home order is lifted.

Rev. Mark R. Francis, CSV
President
